Eligibility

The Travalyst Certifications Initiative is open to schemes that meet the following requirements:

- Certification schemes promoting environmental and / or social characteristics for accommodations and stays anywhere in the world.
- Wherein a certification scheme means a third-party verification scheme that certifies that a product, process or business complies with certain requirements, that allows for the use of a corresponding sustainability label.*

Compliance Criteria

Eligible certification schemes have declared that they meet the following criteria, which are mandated by the ECGT:

1. The certification scheme is open under transparent, fair, and non-discriminatory terms to all accommodation providers willing and able to comply with the scheme's requirements;
2. The certification scheme's requirements are developed by the scheme owner in consultation with relevant experts and stakeholders;
3. The certification scheme sets out procedures for dealing with non-compliance with the scheme's requirements and provides for the withdrawal or suspension of the use of the sustainability label by the accommodation provider in case of non-compliance with the scheme's requirements; and
4. The monitoring of the accommodation provider's compliance with the scheme's requirements is subject to an objective procedure and is carried out by a third party whose competence and independence from both the scheme owner and the accommodation provider are based on international, European Union or national standards and procedures.

Disclaimer

This is not legal advice, Travalyst is not and will not be the entity deciding if an organisation is compliant with the incoming EU directive. Travalyst does not assess or review certification schemes. It provides the mechanism that enables schemes to declare compliance.

Legal responsibility for compliance with the incoming EU Directive remains with certification schemes and the accommodation providers who use their labels. Travalyst advises organisations to seek legal advice in case they are unclear on how the new rules apply to their organisation.
